CHAPTER ONE · AUGUST 2025

THE PILOT.

If I Awaken in Los Angeles premiered at LA's iconic Ford Theatre, in partnership with the LA Philharmonic.

Directed by Gina Belafonte, with musical direction from multiple Grammy Award-winning composer Derrick Hodge. The show premiered to a sold-out house — with lines so long the show started thirty minutes late to accommodate the crowd trying to get in.

THE SIGNAL IS CLEAR. THE DEMAND IS VERIFIED.

This is the show Los Angeles has been missing.

Three chapters in, the city's verdict was unambiguous — and the press said it back.

"A rich, moving experience. The poetry, dance, and film came together beautifully."

— Jodie Foster & Alex Hedison

"A powerful celebration of LA's diversity and resilience. Unforgettable."

— Reina Pereira

"Brilliant storytelling. A groundbreaking approach to history, modernity, place, and people. This show changes everything."

— Aloe Blacc

An aerial photograph of Los Angeles at dusk. The city skyline is visible in the background with numerous skyscrapers. In the foreground, the 6th Street Bridge is prominent, featuring its iconic white arches. Below the bridge, a large, modern building with a flat roof and several air conditioning units is visible. The overall scene is bathed in the warm, golden light of the setting sun.

AN IMMERSIVE THEATRE EXPERIENCE · LOS ANGELES · 2027

If I Awaken in Los Angeles.

A **90-minute immersive theatrical experience** that walks guests through the real Los Angeles — captured inside a **30,000-sq-ft converted studio** in the Arts District, next to the iconic 6th Street Bridge.

An LA recreated and reimagined. Guests are guided through built sets and live performances spanning every neighborhood and culture that makes the city what it is.

Seven neighborhoods, one continuous walk.

From the red carpet to the real LA. No seats until the finale.

01

HOLLYWOOD BOULEVARD

A 110-foot LED wall. Dancers as tourists. The Walk of Fame underfoot. The wall pivots — and the tour breaks open.

02

BOYLE HEIGHTS

A tianguis with stone tables and a band stage where two poets meet across a generation.

03

THE ASIAN ARC

Chinatown · Little Tokyo · Koreatown · Filipinotown · Thai Town. One rapper-poet walking the line.

04

BLACK LA · A CENTURY

A church wall opens — gospel choir, swing dance at Dunbar, hip-hop cypher, Leimert Park drum circle.

05

FOLK LA · LAUREL CANYON

A knock at a door becomes a living room.

In Los Angeles, things take root.

*People from all over the world feel this — and so they flock here, the dreamers, the wanderers, the immigrants, in search of a chance, a rebirth, a fresh start. And the city **Los Angeles** has loved us.*

With this show, we offer that love back.
